

- The Information Security Awareness training required for Alpine users is located in Percipio, after signing in with your CU Anschutz credentials:
<https://share.percipio.com/cd/yRUzmlVfJ>

- Select “Launch”:

- The Course should Launch in a separate window. You may need to allow the popup first, depending on your browser
- Once you have gone through the course and accepted the acknowledgement, you will be required to take a quiz and score a 70% or higher:

Quiz

You must complete the final quiz with a score of 70% or higher to receive course credit.

Instructions:

Select the most accurate answer for each question. When satisfied with your answer, click the Submit button at the bottom of the screen to review the feedback and proceed to the next question. After completing all questions, you will receive a final score.

Take Quiz

Restart Course

- Once you have finished the quiz, you should click “Continue”:

Quiz Results

Your Score: **95%**

Passing Score: **70%**

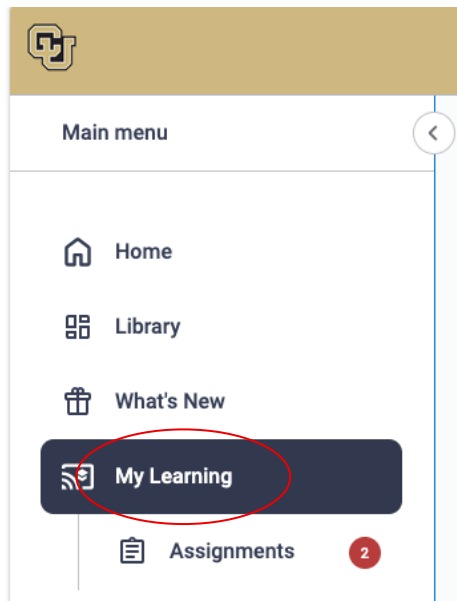

Congratulations, you passed.

Continue

- Once you have completed the course and closed the window, you must find and upload the dated certificate of completion. From the Percipio window you opened in step 1, navigate to the 3 lines on the left and select “My learning”:

- In the middle of the page, you should see a section with the header “Your Recent Activity”, with “CU: Information Security Awareness - u00063” recently completed. Select the 3 dots to the right and click “Download Certificate”:

- From there, upload the Certificate to the new EUA:

EUA Term and Termination

- Effective while user is affiliated and supervisor affirms need.
- Violations or policy breaches may result in account suspension.
- Violations of this EUA, DUAs, IRBs, MOUs, DSAs, DAAs or security requirements may result in temporary or permanent suspension of access, required retraining, notification to sponsors/data providers, employment or academic discipline, and other remedies allowed by policy or law.
- University may terminate at any time for violations.

Acknowledgements & Attestations

- I understand what qualifies as NIH controlled-access data, and I will use only Alpine HPC approved systems for such data, consistent with NIST SP 800-171 requirements.
- I will complete the required annual security and research-security training prior to each renewal and keep proof of completion on record.
- I agree with the Acceptable Use rules, data handling requirements, and incident reporting obligations in this EUA and applicable DUAs.
- I consent to technical monitoring of my use of Alpine HPC and CURC services for security and compliance purposes.
